

SAVINGS GROUPS EVIDENCE AND LEARNING INITIATIVE

The Savings Groups Evidence and Learning Initiative is a four-year partnership (2016-2019) between the SEEP Network and FSD Africa to facilitate the creation, sharing and use of evidence for organizations supporting Savings Groups in Africa.

Since 2016, the project has engaged over 40,000 stakeholders across the world – through knowledge mobilization, improved access to information, actionable learning opportunities, and strengthened partnerships.

KNOWLEDGE PRODUCTS

26 knowledge products – including learning briefs, case studies, toolkits, and primary research.

HIGH-IMPACT LEARNING EVENTS

15 national stakeholder meetings in **Benin, the DRC, Ethiopia, Kenya, Mozambique, Rwanda, Tanzania, USA and Zambia** on priority topics.

The Mango Tree is home to the most comprehensive resource library on Savings Groups, upcoming industry events, and latest news.

With over 15,000 visitors per year, this is your global resource on Savings Groups: www.mangotree.org

DYNAMIC WEBINARS

14 webinars on Savings Groups and impact measurement, inclusion, bank linkages, consumer protection, technology, women's economic empowerment, and strategies for scale.

Webinars on demand:
www.seepnetwork.org/SEEP-Webinars

PEER EXCHANGE VISITS

Two peer exchange visits, in Rwanda, on **Savings Groups and technology** – experiential learning for over 125 sector stakeholders, through product demonstrations, user testing and structured networking.

The SEEP Network is proud to serve as host of the biennial **Global Savings Groups Conference** – in collaboration with conference partners, including FSD Africa.
